

Cancellation policy

The following apply to all RISTE workshops and events:

Workshop registration is only confirmed when full payment has been received from a participant online, by check, or by purchase order.

Participants are encouraged to send notice of cancellation as soon as possible as space is limited for most workshops.

RISTE reserves the right to cancel or reschedule any workshop for any reason, including canceling a workshop that does not meet minimum registration requirements or canceling a workshop due to inclement weather.

If RISTE cancels a workshop, paid registrants will be given full refunds.

If a participant chooses to cancel their confirmed registration, or cannot or does not attend the workshop, the following refunds will apply:

- Full refund if notice received 7 or more days prior to the event
- 50% refund if notice received 4-6 days prior to the event
- No refund if notice received 3 or less days prior to the event

*Notice of the policy will be added to all workshop announcements and the web site.
